Specifics: This is a Small Business 100% Set-Aside 8(a) Tribal/Alaskan Native Corp. contract. This is an Indefinite Delivery/Indefinite Quantity (ID/IQ) contract for which all DOE activities and organizations, including DOE contractors and subcontractors, may place delivery orders directly, quickly and easily. The Government acquires computer (ADP) equipment and software via Delivery Order by Task Orders issued on a Firm Fixed Price basis, and the indicated fixed Direct Productive Labor Hour (DPLH) labor rates by category for services.

Period of Performance: September 21, 2001 through September 30, 2009 with a contract ceiling of \$29.8million.

The scope of this contract has two distinct components: Acquisition (or leasing) of ADP Hardware and software and Telecommunications Resources; and providing Information Technology Support services. The purpose is to support, maintain, upgrade, and expand DOE's current installed base of ADP and telecommunications equipment and compatible software at DOE facilities nationwide. Also, it is to provide periodic Telecommunications Services to include systems engineering, hardware and software installation, on-site maintenance and support, systems management and training via Fixed Price task orders.

Execution of Task Orders can take place at DOE locations throughout the United States. Specific services that may be requested from ASRC Aerospace team under this contract include the following:

Services: Development and implementation of IT Policy and Procedure; business and management processes, Management Reform and Standardization of IT Applications; Integration Services; Assisting in IT Investment Management; Knowledge Management; Information Architecture; Budget Analysis; Financial Management Systems; Resource Management; Records Management.

Computer/Telecommunications Hardware/Software: Microsoft; Adobe; AT&T (cell and satellite phones); Cisco; Ascend Communications; HP/Compaq; Dell; Tumbleweed Communications/Annual Maintenance Support; Network Appliances; Symantec; McAfee; RIM-BlackBerry; Autonomy Software Licenses.
